At the age of 16 the DJ and electronic dance music producer RMA started his career. In this early time RMA was known as DJ Rapmaster A – training his skills by producing partybreaks and remixes of Hip Hop and House Music. The following collaboration with his fellow DJ Sini led into the project Solution Deejays. After 4 years as a duo with exciting and successful mixtapes the DJ struck a new path: In 2014 the artist RMA was born.

By producing his own electronic dance music RMA reached the next level in his career. Since then RMA expanded his spectrum steadily and the fanbase grew. Working together with famous artists like Fatman Scoop and labels like Axtone Records, Pyro Records or Sirup Music in the past years is one proof for the impressive development of RMA's music skills.

Today RMA is famous for his powerful style of electronic dance music and his complex and strongly varying tracks. With hit songs like The Way (Remix), No Where, Paradise, Chinese Gambler or Reasons RMA reached top positions at Beatport House charts. A milestone in July 2018: The track "Chinese Gambler" was performed live by the famous DJ duo Lost Kings at the legendary Ushuaia Club in Ibiza.
